

NHS Diabetes Prevention Programme: GP Text Invitation for Self-Registration

First SMS to invite eligible patients to self-register:

Your recent blood test result has indicated that you are within the prediabetic range, meaning you are eligible for the **FREE NHS Diabetes Prevention Programme**.

To register visit www.lwtcsupport.co.uk/self-referral-form

You will need the following details:

Your NHS no. _____ Your recent prediabetic blood glucose result (HbA1c): ___ & blood test date: __/__/_____.

Follow up SMS (same text sent to everyone):

Dear [NAME], We [GP NAME/PRACTICE NAME] sent you a text on [DATE] about your reserved place on the **FREE NHS Diabetes Prevention Programme**.

Please visit www.lwtcsupport.co.uk/self-referral-form to register onto the programme.
