

NHS Diabetes Prevention Programme: GP Text Invitation for Self-Registration for North Central London

SMS to invite eligible patients to self-register:

Dear [x]

Your recent blood test on [date] showed your HbA1c is in the prediabetic range, putting you at risk of developing type 2 diabetes. This means you're eligible for the FREE NHS Diabetes Prevention Programme. Sign up here at www.lwtcsupport.co.uk/self-registration-form using your NHS number: [x], HbA1c [xx mol/mmol], and blood test date [x]. Any questions? Call Living Well Taking Control on 0300 302 0652 or view attached guide: <https://bit.ly/4a4GH2O>.
